É praticando e estudando que você chega lá!

Já com saudades, esperamos que o curso tenha sido agradável e tenha proporcionado a você um crescimento nos estudos de língua inglesa.

### Curiosidade cultural

Durante todas as viagens que fizemos pelos países, cidades e territórios de língua inglesa, você pôde notar que o inglês está mais próximo de você do que você pensa, e que a língua inglesa pode ajudá-lo a se aproximar de outras realidades e a aprender com elas. Esperamos que você tenha gostado e que se interesse, mesmo após o término do curso, a ler e aprender sobre a história dos outros países e sobre a nossa história, também, para entender o que ocorre à nossa volta.

See you!

Good Luck!
